

Reasons to Treasure YOUNG CHANG

The sound of transparency

The sound of YOUNG CHANG stands out due to its wonderful transparency and distinctiveness. Our pianos are renowned for their dynamic range, power and depth of tone, rich in colour and full of nuances. Treasured for the beauty of its sound, its clarity of sound timbre, and the wonderfully pleasant and precise playing action.

Uncompromising design

The soundboard's complex curvature is created by precisely applied tensions that result from the interplay of several factors, including the exact milling of the rib ends and drying phases in a climatic chamber.

Durability Built to give a lifetime of pleasure

The parts of our pianos are durable and long lasting. For example our frames are made utilizing a cutting edge precision vacuum cast. The action is also manufactured in YOUNG CHANG's own facility.

Originality

Our company was the first piano brand in Korean history, established in 1956. Our name has become a byword for the reliability and quality of the highly complex instruments that originate in the Korean factory of YOUNG CHANG. The result of a long process composed of hundreds of individual steps. They are produced with soul.

Natural raw materials

The quality of sound is created from materials subjected to truly complex conditions. At YOUNG CHANG natural raw materials of prime quality are carefully selected, then stored under controlled climatic conditions and finally processed by conscientious craftsmen. The creation of a YOUNG CHANG piano is a process that takes several years.

The perfect touch

The Keyboard is made of the finest materials by dedicated craftsmen, fulfilling the highest expectations of touch and sensitivity.

Treasure your piano with brilliant finish

When the casework of the YOUNG CHANG piano is gently hand finished by a master craftsman, the result is a beautiful finish which will last the lifetime of the piano.

Customer service Our commitment to you

Our YOUNG CHANG dealers will be happy to provide you with a few tips to guarantee you many years of pleasure with your piano apart from our standard warranty service. It is quite simple for you to maintain the value and quality of your piano with the aid of their expert advice.
